

INTERNATIONAL TOOL FAIR

MINDS IN MOTION

APPLY BY
SEPT 12

The International Tool Fair is an Erasmus+ and European Solidarity Corps event that brings together diverse organisations and project leaders within Youth, Sports, School Education, Adult Education and Vocational Education and Training sectors across Europe and beyond borders.

This year's theme, "Mental Health – Minds in Motion," is dedicated to exploring non-formal tools and approaches to Mental Health. It is designed to engage a range of participants, including teachers, sports staff, youth workers, VET professionals, volunteers, adult educators, researchers, and trainers.

Event Dates: 13-17 November, 2023

Location: Dunboyne Castle, Meath, Ireland

WHO YOU'LL HEAR FROM

Dr. Sharon Lambert | University College Cork (Ireland)

Dr. Lambert holds a Ph.D in Applied Psychology and years of research and practice within inclusion psychology in the areas of mental health, substance dependence, homelessness and trauma. Sharon conducts research within community settings and has worked to complete research projects with Focus Ireland, Nova Limerick, HSE Inclusion Health, YouthRise, Traveller Visibility Group and more.

Wala' Al Smadi | Generations for Peace (Jordan)

Wala' Al Smadi is a Senior Programme Officer for Generations For Peace, a Jordan-based global non-profit. Generations For Peace empowers volunteer leaders of youth to promote active tolerance and responsible citizenship in communities experiencing different forms of conflict and violence.
